UCS GROSUPLJE  
(ZKD GROSUPLJE)

The background features a dark grey area with a fine halftone dot pattern. Above this, there are wavy, layered lines in shades of teal and blue, creating a sense of depth and movement.

Union of cultural societies Grosuplje

# UCS Grosuplje

- Umbrella organisation for 19 cultural societies based in the municipality of Grosuplje
- 49 groups encompassing all forms of arts and culture. Around 1000 members from all generations. Children's group represent 1/5 of the members.

In cooperation with schools and kindergartens UCS increased the availability of the best professional and local performances through numerous projects, such as Children's Week, This Happy Day of Culture, Youth to Youth, annual programme for children

# Primary School Brinje Grosuplje

- Primary School Brinje Grosuplje has 673 pupils, among which 48 pupils are children with special needs. 3 officially recognized educational programmes are intended for children with mild, moderate or severe mental disabilities.
- Pupils with disabilities and special needs share the school premises with other pupils without special needs.
- 12 pupils with special needs are attending the drama club. They are trying to include all 48 pupils into drama educational activities.

# *About a fairy who lost her luck*

March 2015

- 
- For Mothers day (March 2015) they performed their play About a fairy, who lost her luck. Playing on the stage which they were familiar with and with technical support the drama club exceeded our and their own expectations.
  - Encouraged by the response the play recieved they started a collaboration with local preschool and school drama clubs and organised a theater marathon in May 2015.
