

**Culture Guide Conference,
5 – 6 October 2015 in Budapest**

Tuesday, 14.15 – 14.50
Evaluative conclusions

Evaluative conclusions / follow-up possibilities

Project idea

- to improve access to arts and culture experiences for social marginalised groups by engaging volunteers as “culture guides”.

Overall aim of the project

- in a european framework to develop new methodology to provide culture guide services.

Did we fulfil the idea and aim on

- a) the local / national level
- b) the multilateral / European level

How are the follow-up possibilities at

- a) the local / national level
- b) the multilateral / European level
- c) Possibilities for multiplication and mainstreaming .

Aim of the conference

Evaluation of the conference

Objectives of the conference

- To disseminate the key outcome of the project
- To reach new European audiences hitherto not addressed
- To exploit the results to policy makers and other multipliers;
- To promote new multilateral networks for culture guide activities

Did we fulfil the objectives of the conferences?

What could have been improved?
